## Gear Driven, Rotating Halogen Beacons

An economical range of gear driven rotating beacons for both on and off-road use. These beacons use popular 12v or 24v halogen bulbs and deliver bright light in all conditions.

	<b>FLASH/MIN</b>	150		<b>FLASH/MIN</b>	150

\* Dual voltage halogen beacons do not include a bulb.

## Xenon Beacons

For off-road applications, these beacons generate a high intensity flash from the integral xenon tube. Xenon beacons have no rotating parts so benefit from a longer life expectancy and lower current draw.

LBB189 Xenon Beacon			LBB190 Xenon Beacon		
	<b>FITTING</b>	ONE BOLT		<b>FITTING</b>	THREE BOLT
	<b>DRIVE</b>	N/A		<b>DRIVE</b>	N/A

	<b>EMC</b>	YES (ECE R10)		<b>EMC</b>	YES (ECE R10)
	<b>FLASH/MIN</b>	75		<b>FLASH/MIN</b>	75

All Lucas beacons are ECE Regulation R10 approved for Electromagnetic Compatibility (EMC)

## Direct Drive, Rotating Halogen Beacons

A Premium range of UK made direct drive rotating beacons for quiet operation on and off-road. These beacons use popular 12v or 24v halogen bulbs and deliver bright light in all conditions.

\* Dual voltage halogen beacons do not include a bulb.

## LED Beacons

Delivering all the benefits of LED lighting including long lifespan, low energy consumption and bright output. LED beacons are a great value alternative to traditional Halogen or Xenon for off-road use.

# The Driving Force Behind The Lucas Brand

The Lucas brand is one of the leading forces in the automotive aftermarket, delivering a broad range of premium quality products. Building on a heritage of over 135 years in the automotive industry, Lucas now boasts market-leading vehicle parc coverage for Automotive Bulbs, Batteries, Engine Management & Ignition, Mirrors, Rotating Electrics, Switchgear, Warning & Safety, Window Regulators and Wiper Blades. The Lucas brand represents superior engineering and service excellence throughout its product portfolio.

Customer demand for quality products, keen pricing and shorter lead times is met with a constant investment in product range development and the highest quality manufacturing, backed by online cataloguing and first class marketing.

The success of Lucas is built upon a deep commitment and understanding of the automotive aftermarket's needs and demands, which allows the brand to meet and exceed customer expectations.

With 135 years of innovation and development, Lucas have been continuously trading longer than any other automotive component brand in the world.
