## Lucas sponsors IFA members in the New York Marathon

Lucas distributors and IFA members Peter Nunn, Managing Director of Multitruck Components, and Alex Small, of Pentland Component Parts Ltd, took part in the 2007 New York Marathon. Peter and Alex ran the race on Sunday 4<sup>th</sup> November on behalf of Children with Leukaemia, taking part alongside 39000 other runners.

The race started on Staten Island at the foot of the 2 mile Verrazano suspension bridge. Peter reported "It was very cold at the start but the sun came out and the views across Manhattan, the Statue of Liberty and the Hudson River were spectacular."

The team was cheered on by their sponsoring charity Children with Leukaemia, who had a vantage point at the foot of the Queensboro Bridge into Manhattan. The IFA members produced highly-commendable times and raised over £10,000 for the charity.

Lucas is very proud to have supported Peter, Alex and the IFA in such a worthwhile endeavour.
