The distribution specialist Ferraris Piston Services, (FPS), supply a comprehensive range of the market-renowned Lucas Batteries. FPS distribute the sub-ranges of Lucas automotive, leisure & marine batteries, all built to exacting standards and supplied with warranty periods ranging from 1 to 5 years. This culminates in a 99% coverage of both car and commercial vehicles. Lucas also specialise in intensive durability batteries for application in motorbikes, golf trolleys, warehouses and marine transport. An array of alkaline batteries has also recently been launched.

This impressive breath of application, combined with delivery through one of the nations most punctual and flexible branch networks, makes the FPS offering the best in the market place. The Lucas and FPS partnership ensures a rapid delivery of a trusted brand with specifications that will meet or exceed your customer requirements. A catalogue is available from your local FPS branch which contains full application details and product specifications.
